ONE FAMILY

#FAMILYMILITARYSUPPORT

Our mission is to advocate improved quality of life and economic fairness that will support the well-being of all military personnel and their families.

As a federally-chartered non-profit Veterans' Service Organization, we are one of the few military associations able to lobby and provide face-to-face representation with our Nation's Congressional and Military Leaders, and within the DoD and VA.

Our Military and Government Relations Team tracks hundreds of policies that would impact you and your family and relentlessly advocates for better pay, better medical coverage, better housing, and so much more.

In order to achieve our goals, we must have the military as members, AND we need military spouses and families as an equal part of our membership rosters.

Your opinion, suggestions, and ideas of how to make life better for your family helps us to advocate, educate and lobby for your individual families needs.

Join AFSA now to ensure your family needs are heard, understood and represented.
